## Grand Knight's Message

Brothers,

As we start a new Columbian year, I wish to invite all of you to our council meetings. This new year should become a year of renewal for our council and we need all of our brothers in charity, unity, and fraternity.

Our focus this year is on recruiting and retention for our membership. Next week, after the 10:00 am Mass, our monthly corporate communion mass, we will have a potluck reception for the friars in residence and our sponsored seminarians at the Knights Hall. Please attend, if you can contribute a lunch item, contact brother Ben Russell at: [bruss1825@aol.com](mailto:bruss1825@aol.com).

I know that this month's Grand Knight's message is short; this is my first attempt at addressing my brothers with the written word. Peace be with you all. Remember that forgiveness is more for the forgiver than the forgiven.

Vivat Jesus

Robert Reilly  
Grand Knight

## **Insurance Message**

### **JULY - New Fraternal Year**

A new fraternal year is upon us. Congratulations to the newly elected and appointed council leaders. I am sure you have a list of things that you want to accomplish during the coming year. I am eager to help.

One of these goals is likely the attainment of the Star Council award - the most prestigious award the Order offers at the council level. I am certainly committed to helping on the insurance side, but I will be glad to help on the membership side as well.

If you know an eligible Catholic man who might be interested in joining the Order (and who among us doesn't), he's probably just waiting to be asked. I can help you, either by approaching him myself, or by coaching you on transferring sales skills that you can use to recruit him and other prospects. As always, I am at your service.

What would be helpful to all of us would be an early start on those goals, rather than waiting until May or June. Let's get an early start on award season this year.

### **AUGUST – Easy to Put Off**

Buying life insurance is something that's easy to put off until tomorrow. And if your life is as busy as mine, tomorrow can easily become next week, next month, or even next year. I'd like to make a personal plea that you not make that mistake. Before the summer is over, make an appointment to visit with me, your professional Knights of Columbus agent. I will work with you to put a plan in place that will help your family when that help is most needed.

We all know someone whose health, instantly and seemingly out-of-the-blue, changes. You may think this can't happen to you. Think again. And keep in mind that no one will ring a bell warning you that your health is about to change. Medical technology has turned many diseases previously termed "death sentences" into very treatable conditions. What medical advances haven't changed, however, is that being diagnosed with one of these diseases will dramatically affect your ability to purchase life insurance coverage. Don't wait until it's too late. Call me today.
